ACTIVITIES SUMMARY / WARREN TOWNSHIP HIGH SCHOOL / CLASS OF 2027

adventacious@gmail.com | Chicago, Illinois

I am a Warren Township High School senior interested in student leadership, Black community, entrepreneurship, and technology. My projects give me ways to bring those interests together.

SELECTED RESPONSIBILITIES AND PROJECTS

Student Council & Class of 2027

Event leadership / Separate website project

As Student Council President, I plan events, lead event committees, and help staff. Separately, I designed, built, and maintain the Class of 2027 website.

National Independent Black Student Union

President / Student community

As president, I help plan and run kickoffs and social events, including bowling and restaurant gatherings. A state representative and a senator have also attended our events.

Juneteenth Lake County

Volunteer & vendor manager / 2024

I directed volunteers where they were needed and helped keep operations coordinated. I also helped vendors settle in, assisted them, and checked that they had what they needed to operate.

AVNT

Founder / Management, marketing & hiring

I founded AVNT, a project management, marketing, and hiring agency. I designed its identity and developed its website, operations dashboard, and supporting bot tools.

Playverse / Super League Soccer

Project manager / AVNT client

Through AVNT's client relationship with Playverse, I work on project coordination, brand and social channels, and partnerships, for about twelve hours per week.

ClaudeKat / Royal Vault

App design and development

My work spans the interface, server, real-time messaging, file handling, and the iOS wrapper.

CURRENT LEARNING

Current: AP Computer Science Principles; Language and Composition; ASU Universal Learner ENG 101 coursework in progress. ACT composite: 25 (self-reported).

Microsoft Office Specialist certifications in Excel, Word, and PowerPoint; Microsoft Office Specialist Associate.
